

N9032B

PXA SIGNAL ANALYZER

DEAL IN BRIEF

Trade in your eligible Keysight or Rohde & Schwarz Signal Analyzer and receive a credit up to 42% toward the purchase of a new N9032B PXA Signal Analyzer.

 Credit values are based on *typical configuration and average list price* and apply to models with *matching frequency range* (and port or channel count where applicable).

TERMS AND CONDITIONS

- Trade-In credits for this special promotion may be subject to change without notice, at Keysight's discretion.
- Credit ranges apply to Trade-In models with the matching or similar frequency range (and port or channel count where applicable).
- The Trade-In unit(s) must be in working condition, without major esthetic and physical damages, to receive the full credit.
- Credits apply to the new Keysight product and hardware options included in the offer; not to Keysight software or hardware items bought with the same order but with a separate model number.
- Credit values are approximate and may vary by currency and country, for one new and one Trade-In unit, and may change any time without prior notice.
- The Trade-In credit and purchase agreement (PA) discounts may be combinable.
