

UXR FAMILY

INFINIUM UXR-SERIES OSCILLOSCOPE

DEAL IN BRIEF

This Trade-In offer provides a path for you to trade in your eligible Keysight, Tektronix, and Lecroy Oscilloscope or your R&S signal analyzer and receive a credit up to 40% towards the purchase of the new UXR B Series Oscilloscope. The offer also provides a path to upgrade your current UXR A model scope to a new UXR B with greater bandwidth and channel count along with all of the new enhanced features that the new UXR B provides. The B series not only provides greater capability but also a new unit with a new warranty. Contact your account manager about this opportunity while it lasts

i Credit values are based on **typical configuration and average list price** and apply to models with **matching frequency range** (and port or channel count where applicable).

TERMS AND CONDITIONS

- Trade-In credits for this special promotion may be subject to change without notice, at Keysight's discretion.
- Credit ranges apply to Trade-In models with the matching or similar frequency range (and port or channel count where applicable).
- The Trade-In unit(s) must be in working condition, without major esthetic and physical damages, to receive the full credit.
- Credits values apply to the new Keysight product and hardware options included in the offer; not to Keysight software or hardware items bought with the same order but with a separate model number.
- Credit values are approximate and may vary by currency and country, for one new and one Trade-In unit, and may change any time without prior notice.
- The Trade-In credit and purchase agreement (PA) discounts are combinable.
